Seeking a Self- Motivated Team Player

We are an AAHA- affiliated, progressive, fast-paced, multi-doctor practice looking to add a few experienced technicians to our expanding team. We plan to open our new 10,500 sq ft. facility in 2009.

Winslow Animal Hospital's mission is to extend and enhance the quality and duration of our patients' lives by delivering high-quality and cutting edge medical, surgical and dental services in a friendly and compassionate environment. Respect for our clients, our co-workers and most of all the pets for whom we provide care is utmost importance.

Are you a certified veterinary technician looking for a long-term position to use your skills and quality care? Or are you a technician who is exam eligible?

The applicants must be team players who possess excellent customer service skills to provide quality care for our pet-parents and our patients. We are seeking candidates with positive attitude, strong work ethic, confidence, and attention to detail.

The job duties include everything from lab work and surgery to dental and client education. We are located ½ mile from the exit 41 on the Atlantic City Expressway.

Salary commensurate with work experience. Full time position includes benefits package with health & dental insurance, free life insurance, Simple IRA Plan, paid continuing education, uniform allowance, and much more.
