

# Winslow Animal Hospital Presents K9 Basics Dog Training PUPPY PRESCHOOL

www.WINSLOW ANIMAL HOSPITAL .com  
640 Sicklerville Road, Sicklerville, NJ 08081  
Phone 856.875.1323 • Fax 856.875.4437

CLASSES  
BEGIN ON  
FEBRUARY  
7<sup>TH</sup>  
2011

The **Socialization** period for dogs is 8-16 weeks of age. During this time puppies are forming attitudes and opinions that can last a lifetime; this is also prime time for you to help develop and bond with your puppy as a well-mannered and enjoyable member of the family!

#### **Puppy Preschool will teach you how to:**

- Provide structure, leadership & build confidence
- Housebreak your puppy
- Begin teaching commands like "Come", "Sit" & "Off", to name a few, along with other basic manners
- Prevent typical behaviors such as biting, chewing, jumping, leash pulling, mounting, food/toy possession-aggression & persistent barking, from becoming bad habits
- Properly socialize your puppy with children, new people and other puppies & dogs
- Play positive games with your puppy
- Groom your puppy
- Maintain & provide basic health care; handle medical/CPR/choking emergencies

#### **Expose your puppy to a variety of socialization activities including:**

- New people, children & other puppies
- Confidence building through leadership, noise/sound socialization
- Puppy Playtime & introduction to our puppy sized agility course

#### **Attendance Requirements include:**

- Puppies between the ages of 8-16 weeks old (small/miniature breeds accepted up to 20 weeks of age)
- Puppies have lived with you in your home for a minimum of 10 days
- Puppies must be seen by **a Veterinarian at Winslow Animal Hospital**, determined to be in good health, up to date on vaccinations for their age, **INCLUDING** the Bordetella (kennel cough) vaccine.

**FOR ADDITIONAL INFORMATION OR TO RESERVE A SEAT  
FOR YOU AND YOUR NEW PUPPY, PLEASE CALL US AT**
