ALL ABOUT JACK!

December 2011

Welcome to my world!

Jack is not a morning cat.

5 more minutes?

Jack starts his day with exercise in Winslow Animal Hospital's Aquatic Treadmill and Linda F. CVT, CCRP !

Linda, I own this water!

Today, Jack is receiving a Dental Cleaning. Most pets have periodontal disease by the age of two, so this is super important!

Bad breath!

Sparkly clean smile!

before After

Jack recalls that Mildred the Mallard nested here last spring.

It never would have worked between us.

Jack isn't the only one who enjoyed the Luau Open House!

Aloooooha!

Pet Acupuncture is way more relaxing than it looks.

Congrats to Dr. Hinze on her certification!

Dr. Coudrai's orthopedic surgical skill & Rehab Certification make it all better!

Thanks, Dr. Phil!

Jack-O-Lantern shines at the Halloween Pet Parade!

I bet Halloween puns drive you batty!

Jack thanks everyone who came out to take Pet Photos with Santa!

Catnip, toys, & Feline Greenies, Santa!

Happy Holidays!
